

Welcome to the Eclipse SDV Q1/24 Community Days @ AVL Graz

Gianluca Vitale
Global Business Segment Manager
AVL

Dr-Ing. Sara Gallian, SDV Program Manager
sara.gallian@eclipse-foundation.org

Conversations on the Edge

A physicist and an art therapist meet to discuss realms of science that are invisible to us and how novel approaches see below the surface.

**MARCH 18TH
AT 5PM**

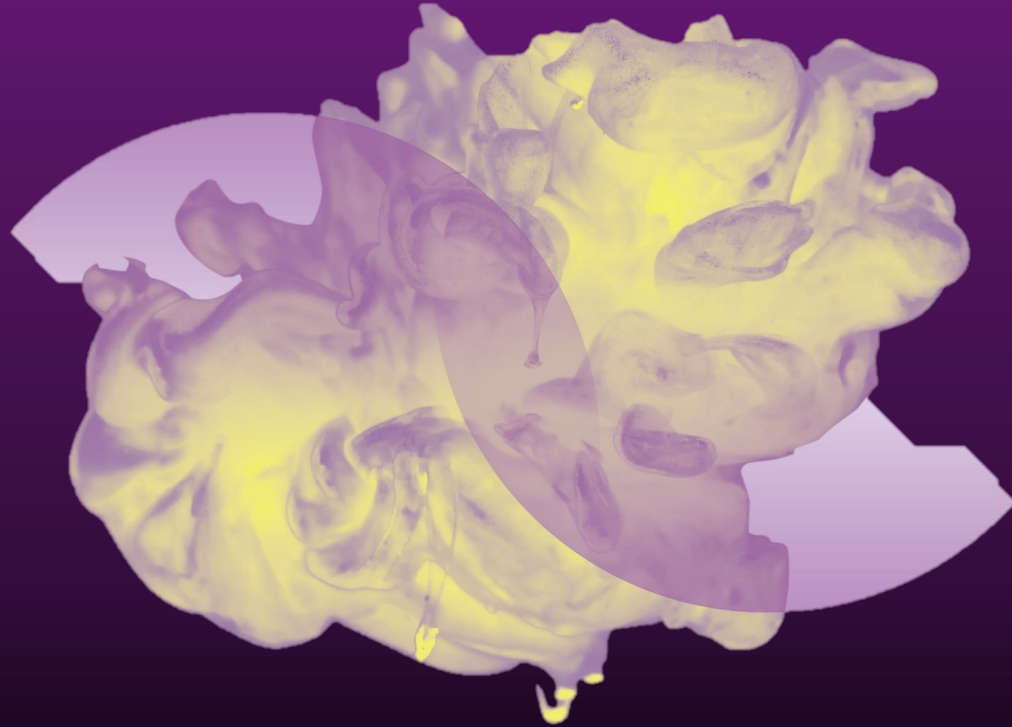

Conversation Topic
in/visible

Presenting
DR **SILVIA WYDER**
DR **MICHAEL DOSER**

CONVERSATIONS ON THE EDGE

"in/visible": Exploring Invisible Realms of Science

A Discussion between Physicist Dr. Michael Doser (CERN) and Artist & Art Therapist Dr. Silvia Wyder

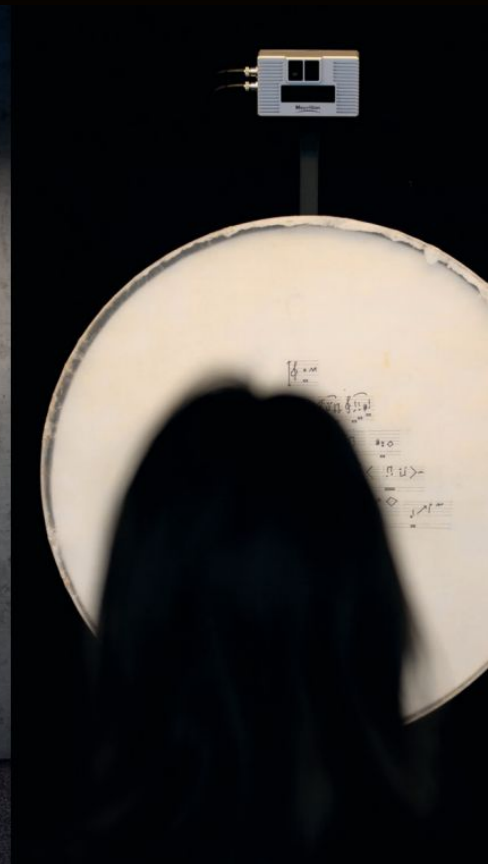

Symphony of Encounters

"It makes a difference
that you are here"

Rupert Huber

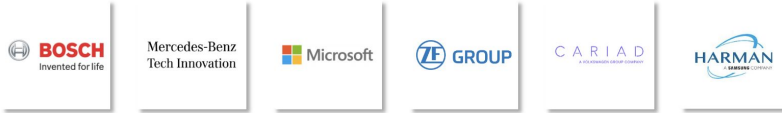

Since we last met at EclipseCon in Oct 2023

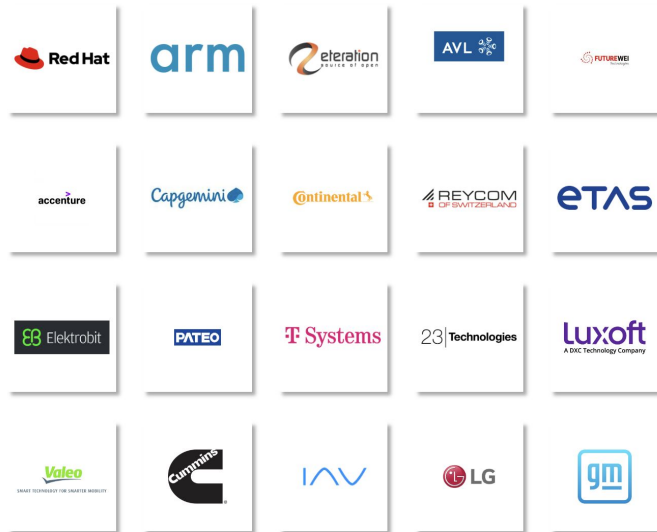

- Our first Hackathon hosted by Accenture in Munich
- Welcome new members
 - 1 New strategic Member: Harman
 - 3 New Supporting Members: Lunatech, Amazon & FEV.io
 - 4 Members Upgraded to Participants: Eteration, ETAS, Reycom and Valeo
- Welcome new projects
 - Eclipse ThreadX
 - Eclipse Symphony - see presentation!
- Welcome new Blueprints
 - Companion Application Blueprint
 - Insurance and Data Exchange Blueprint - see presentation today!
 -
- Welcome new activities around Communication Protocols
- SDV Alliance Kick Off - see presentation!

SDV WG Members (March 2024)

Strategic Members

Participant Members

Welcome!

Participant Members

Welcome Lunatech, Amazon & FEV.io as supporting members

Welcome Harman as strategic members

Supporting Members

Eteration, ETAS, Reycom and Valeo upgrade their membership!
